BALI

1 - 13 October 2015

Bali is Indonesia's most popular dive destinations. Fly to Bali via Singapore. Its an 2.5 hours drive from Bali's airport. The resort has all the necessary luxuries to make your stay an unforgettable experience. Tulamben is located in the northeast of the island. All accommodation is en suite and different options are available from patio rooms to private villas with own pool. After 5 nights we transfer to Sanur and stay at the Puri Mesari for the rest of the stay.

The underwater world of Bali is deep drop-offs & banks, coral ridges, volcanic outcrops and sea grass beds are all part of a diverse marine life as well as some very famous wrecks. It is spectacular with hairy frogfish, cockatoo leaf fish & pygmy seahorses. Lots of weird and wonderful creatures. Tulamben is famous for the Liberty wreck, sharks & bumphead parrotfish.
