

DIVE MASTER COURSE

The NAUI Dive Master qualification is the highest NAUI leadership-level qualification with the exception of Instructor.

Dive Master are trained to be experienced and knowledgeable in organizing and conducting enjoyable and safe dives for certified divers.

This is an intensive program consisting of about 20 hours of academics plus the application of this acquired knowledge in schedule of at least 10 in-water application with a minimum of 10 open water dives.

The reward of being a Dive Master in terms of personal satisfaction and achievement is unparalleled.

Pre-requisites for this course are certification as NAUI Master Scuba Diver and Rescue Diver. Divers with equivalent training and experience can enroll provided they pass the NAUI Master Scuba examination. Documentation for a minimum of 25 logged open water dives is required.

During the open water dives the DM will be trained to plan and select dive sites, to do pre-dive briefings and to confidently control and conduct enjoyable and safe dives for other divers in various dive environments. The DM will also be trained in emergency procedures and prevention of diving accidents.

Most of the dives are done at the coast, but some will be done at Bass Lake or Miracle Waters in Gauteng. The course price **EXCLUDES** the cost of the actual weekend away and the cost of the dives.

The BCD, regulator and cylinder can be rented from the school. You need your own swimming suit, towel, wetsuit, fins, mask, snorkel and weightbelt.

| | NAUI |
|--------------------------------------|-----------|
